OTHER PROFESSIONAL STUDIES

Coordinator of the “**Proposals to the Nation**” a joint effort of the different Venezuelan National Academies to study key national problems. These studies offered detailed analyses and diagnoses of the issues, and proposed specific and concrete implementable actions to handle and resolve each one of those problems. These studies were assembled in a book called “*Propuestas a la Nación*” which was published in July 2011, causing a deep impact on the Venezuelan public opinion.

A columnist in the three of the most prestigious Venezuelan daily newspapers:

El Universal	(1997-2006)
El Nacional	(2006-2018)
Analitica.com (Online blog)	(2005-2018)

These articles were frequently reprinted in other local and international newspapers.

HONORS

1984: Honoured with the “**Orden Andrés Bello**” in its highest degree (Primera Clase & Banda de Honor) by the Venezuelan President Jaime Lusinchi in the occasion of my incorporation as a Founding Fellow of the Venezuelan National Academy of Economic Sciences. The “Orden Andrés Bello” is the highest honor or recognition made by the Venezuelan Government to educators, scientific researchers and artists.

1985: Honoured with the “**Orden Francisco de Miranda**” in its highest degree (Primera Clase & Banda de Honor) by the Venezuelan President Jaime Lusinchi in recognition for my participation in the public debt restructuring process of 1984. The “Orden Francisco de Miranda” is one of the highest honors or recognitions made by the Venezuelan Government to individuals for their outstanding services to the Nation.

1990: Honoured with the “**Order to the Working Merit**” in its highest degree by the Venezuelan President Carlos Andrés Pérez, in recognition for my work as an educator and as an economic consultant to public and private entities.
